SECURITY DEPOSIT OPTIONS

For all bareboat and skippered charters, cover against damage or loss to the yacht and her equipment is required and can be settled in three different ways, as further detailed below.

During the booking process the charterer is required to select one of the three available options and inform Kekeris Yachts via written confirmation, in order for the booking confirmation / invoice to be issued.

If the Damage Waiver will be selected, its cost (only the non-ref amount) will be added to the invoice and must be paid in advance along with the charter fee. If the Non-refundable Insurance will be selected, its cost can be paid either in advance along with the charter fee, or upon arrival at base.

In case none of these options has been selected, the charterer can then pay a higher Security Deposit upon arrival at the base.

1st option: Damage Waiver*

- When choosing the **Damage Waiver** a sum of between 190,00 € and 290,00 € -depending on the yacht size- is required and should be paid in advance along with the charter fee and can't be refunded in any case. In addition, a sum of between 750,00 € and 950,00 € -depending on the yacht size- as damage deposit will be asked at base prior to embarkation. This amount will cover any damage or loss of the yacht and her equipment during the charter period and is refundable in case of no damages or losses. The company reserves the right not to accept the damage waiver.

2nd option: Non-refundable Insurance*

- When choosing the **Non-refundable Insurance** a sum of between 490,00 € and 690,00 € -depending on the yacht size- is required and can be paid either in advance along with the charter fee, or upon arrival at the base, via e-Commerce (online transaction), or via POS machine by Credit card, Debit card, or in cash. This amount will cover damages or losses of the yacht and her equipment during the charter period and can't be refunded in any case. The insurance amount does not cover five specific damages/losses, which are further analyzed at the detailed Non-refundable insurance policy document*. The company reserves the right not to accept the Non-refundable Insurance.

3rd option: Security Deposit*

- When choosing the **Security Deposit** a sum of between 2.500,00 € and 3.500,00 € -depending on the yacht size- will be asked at base prior to embarkation. This amount will cover any damage or loss of the yacht and her equipment during the charter period and is refundable in case of no damages or losses. The Security Deposit is payable either via e-Commerce (online transaction), or via POS machine by Credit card, Debit card, or in cash. The company reserves the right not to accept payment of security deposit in cash.
