CHECK IN PROCEDURE:

Boat takeover no later than 17:00

Steps:

1. At charter office client receives all necessary information and boat's documents
2. At reception of marina clients are fulfilling paperwork requirement (residence tax, deposit/deposit insurance, crew list issue, parking ...)
3. Embarking regarding information when the boat is ready
4. Checking in on boat after all above items are met

PAPERWORK:

- We kindly recommend to send us crew list data in advance (name, surname, rank, date of birth, citizenship, passport/ ID card number)

REQUIRED DOCUMENTS:

- Passport or Personal ID card
- Boarding pass or Booking contract
- Skipper's license
- Radio VHF license (at least one of the crew members)

PAYING ON SPOT (mandatory):

Deposit (credit card or cash) or Liability insurance policy and belonging deposit. (Liability insurance policy concluded on spot is endorsed on behalf of renter-charterer. All other Liability insurance policy holders are still obligated to leave deposit in full amount. Residence tax: 18 years > 1,35€/day, 12-18 years 0,5€/day, < 12 years free of charge)

CHECK OUT PROCEDURE:**Disembarking no later than 09:00 am.**

Return on the evening before day of disembarking is desirable.

Before approaching your berth, you are requested to make refuel on petrol station in Murter. No other refueling confirmations (invoices) will be accepted.

To start Check out procedure please contact Charter office. Charter staff in charge for the boat will make Check out with the skipper. Check out procedure on weekends is not completed without diver's report. Diver makes underwater check starting at 16:00 on day before disembarking and 08:00 on day of disembarking. Separately diving will be extra charged.

In all other cases than written in Charter contract, diving check has to be announced (agreed) at least 24 hours in advance.

LOSS OF PERSONAL BELONGINGS:

The charter company is not responsible for lost or forgotten personal belongings.

CASE OF ACCIDENT: What to do in the case of an accident?

- ❖ Contact your charter base (lessor) to get instructions!
- ❖ Exchange insurance policy data (for liability damage)
- ❖ Take pictures of the damage
- ❖ Create a sketch with description of collision/accident
- ❖ In the case of collision take STATEMENT of another boat's skipper
- ❖ Make report by nearest Harbour Master office

In the case of any damage happen during cruise period contact your lessor immediately. Depending on extent of damage, base manager will recommend next steps which are necessary to undertake. Keep in mind that boat should be prepared for next client!

In cooperation with our partners, we are in capacity to organize transfers for individuals either bigger groups, with new, comfortable, air conditioned cars, vans and busses. Transfers are organized according to your needs. Transfer prices on request.

We always remain on your disposal.
Marina Hramina Team wishes you safe and pleasant journey!
