MARINA PARKING

The Marina di Portorosa has a large video-surveilled car park which costs around €140 per week. We inform you that the first 30 minutes are free to allow loading and unloading of luggage at pier 0 in front of the boat.

HOW TO REACH US

BY CAR: From Messina, take the A20/E90, then exit at Falcone towards Falcone. Take the SS113 Settentrionale Sicula and follow the signs to Portorosa Marina Yachting.

BY PLANE: Choose Catania - Fontanarossa or Palermo Punta Raisi airports.

ARRIVAL, CHECK-IN AND ORGANIZATION

The bases operate at the following times: 09.00/18.00.

Make sure you arrive within this time in order to organize the check in with light and, above all, to have time to be able to resolve, if necessary, any small setbacks.

We will be able to deliver the boat starting from 3.00 pm and, at the latest, until 9.00 pm, after having carried out checks with the previous crew and having carried out the cleaning and arrangement of the boat.

The check-in of the boat will be carried out with only one person on board, passengers and luggage can only be boarded after completing all the check-in procedures. Passengers will be able to wait in the Marina areas.

The contractual procedures, the payment of extras and the deposit will be carried out in the designated area, where there cannot be more than two people at a time.

Luggage can be stored outside the office and not inside.

EXTRA

Included in the price you will always find blankets and pillows. A kit of sheets and towels per person are included in the mandatory extra of the Transit log. However, if you want a change of sheets and additional towels you will need to order a complete kit at least one month before departure, in order to request all the laundry in time.

It is also advisable to give information in advance on the arrival time and on other optional extras to order, such as SUP, early check in at 2.00 pm or possible transfer. We also want to remind you that we can organize transfers (on request and for a fee). In this regard, if you wish to request the shuttle service, we need complete flight data, the arrival airport, the exact number of people and the expected landing times.

All extras can be booked at least one month before check-in via email, subject to availability and must be paid in cash or by credit card (Visa or Mastercard) upon boarding.

Damage waiver (€650 + €2,000 deposit) - €650 per booking

Priority check in at 2.00pm - €350 per booking (to be confirmed)

Check in out of hours (after 7pm): €150 per booking

Hostess + food (Will occupy a cabin) - €1,200 per week

Skipper - €1500 per week

Wi-fi: €50 per week

Cleaning for animals - €250 per booking

Grocery service + provision - €100 per booking (cash payment)

SUP - €150 per week

Snorkeling kit - €30 per person / per week

Safety net: €100 per booking

Beach towels: €15 per person/per week

Replacement of bed sheets and towels - €20 per person / per week

TRANSIT LOG REQUIRED

Cost: 750 euros (catamaran) - 650€ (monohull)

The Transit log includes: final cleaning, tender and outboard, sheets and towels (one change) for all cabins, spare gas cylinder, mooring at the Marina di Portisco for the entire duration of the charter, water and mooring light.

CAUTION MONEY

Deposit to be paid upon boarding even if you have already taken out insurance before leaving.

If there is any damage, we will keep the entire deposit. We will then assess the damage with an expert and forward the bill to you. In case of damage less than the amount paid as a deposit, we will refund you the remaining part of the deposit.

FUEL, WATER AND RETURN TO BASE

Our boats will be delivered with full fuel and water.

Before returning to mooring we will therefore ask you to fill the fuel tanks and, once moored, the water tanks.

It is necessary to return to base on Friday no later than 5pm

You will sleep on board and leave the boat on Saturday at 8.30am after carrying out the necessary checks. We remind you that mooring at our base in Marina of Portisco is included in the Transit Log. Other moorings in other marinas will be at your expense.

CLEANING OF THE BOAT

LCleaning is one of the Transit log services that must be paid for upon boarding.

This does not mean that the boat must be returned in poor condition but must still be returned in order.

Smoking is prohibited on board to avoid odors or possible burns.

GARBAGE

Do not leave your rubbish lying around or on the boat, but leave your rubbish bags sealed inside the appropriate containers in the marinas.

The cleaning costs do not include weekly garbage emptying.

BATHROOMS

Remember not to throw paper, cotton or objects inside the toilet to avoid clogging of the pipes. The pump could block and the intervention will be at your expense.

Take time to explain the correct use of toilets to your entire crew.

WORLD WIDE CHARTER - BASE OF SARDINIA - MARINA OF PORTISCO

ITINERARI NAUTICI DA PORTOROSA

The yachts are equipped with all accessories and equipment, including those for the kitchen. Consumables such as toilet paper, soaps, napkins and food are not provided. Before returning to the base it is necessary to refuel the tank (the refueling pump is open until 7.00 pm). Utilities must be paid separately and it is necessary to top up the Sella Torre key upon return. Mooring is included for the entire period.
